

## LIFAair LA313VT Smart Air Purifier

**(without CO2 sensor)** (For CO2 version please study LA313V)

The LA313VT provide long- lasting protection for you and your family. Combine with our innovative Realtime Smart Controller and advanced cleaning technology, purifiers' high quality HEPA- filters collect particles effectively, while its massive gas adsorbent barrels adsorb harmful gases and VOCs such as formaldehyde.

Parameter	Unit	Amount
Particle CADR	m <sup>3</sup> /h	400
HCHO CADR	m <sup>3</sup> /h	200
Applied Area	m <sup>2</sup>	28- 48
Noise	dB (A)	≤66
Power	W	45
Size	mm	Diameter 250*505
Net Weight	kg	6.8
Packing Size	mm	728x 328x 345
<b>Sensor equipped: (Monitor) TVOC, PM2.5 / (Machine) Temp, RH</b>		

The smart air purification system automatically analyzes and controls the Indoor Air Quality. IAQ can be monitored and controlled remotely via WiFi.
